Lovers Guide

Venus, 'the planet of love', is what this two part report is all about.

Part one - Love Expression

The position of Venus in your birth chart is interpreted here. Venus, the planet of romance, is a pivotal influence in defining how you fall in love, stay in love and what you look for in a lover and 'soul mate'. It not only represents love and affection, but also harmony, cooperation and the way you feel about and react towards other people. It reveals the kind of lover you are and how you express yourself when you are in love.

Each connection is given a Star Rating from one to five to show its relative importance in the way you express yourself. To the right of each pair of symbols is a group of five stars ★☆☆☆☆; the more dark stars there are the more important the connection. The keys for the planets and the other symbols and terms used are given at the back of the report.

Part two - Year Developments

The 'transits' of Venus, as it moves through the Solar System, shows how you change, grow and develop when it comes to your relationships in general and your love life in particular.

In your 'Lovers Guide' we interpret only the transits that Venus will make to the other planetary bodies; Mercury, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto as well as the Sun and Moon.

Lovers Guide should only be used as a helpful guide for the periods indicated. At all times it is for you to make use of your most positive characteristics and the periods indicated.

If you are not sure of your exact time of birth then the sections relating to your Ascendant and Houses should be ignored.

Sometimes when a planet 'transits' a planet, it first appears to move forwards and then backwards for a period of time re-creating the same 'transit' several times. This apparent backwards motion is known as 'retrograde' motion.

AS

The Ascendant or Rising Sign

Represents the area of life concerned with your sense of self-identity, the impression you give and how others see you.

AS ♂ ♀ ★★★★★

Charm

You're able to express yourself with charm and diplomacy. You're generally willing to compromise where necessary, but necessary usually means whether it's to your advantage! If you feel that a compromise leaves you the loser, or you won't get what you want, you simply won't go along with it. In fact, beneath the polished veneer there's a strong element of self-interest so you know how to use your talents to further your own interests, or to cultivate social contacts that will benefit you in some way.

☉

The Sun

Your essential self, the centre of your being. It indicates what you are striving to become as an individual.

☉ ♋ ♀ ★★★★★

Attractive

You are physically very attractive. Usually this is a blessing, but at times it causes you problems, when you would rather not be noticed, but this seems to be impossible. This may cause you to feel uncomfortable and angry and insecure, and you will find it difficult to articulate your feelings because you are shy and soft-spoken by nature. Be aware that this will be a continuing problem. Learn to use it to your best advantage whenever possible and try to develop strategies so that you can maintain your privacy and peace of mind.

♀

Venus

Represents how you express your emotions within love, marriage and other personal relationships. It also indicates your attitude towards money, possessions and your aesthetic values.

♀ in 69

Capacity for love

You are a sensitive, loving and emotional individual who needs to find a deep sense of emotional sharing with another person. However, the fear of being hurt could cause you to hide behind a barrier until you feel secure enough to express your true feelings. When you do, however, you're sensitive and caring but may occasionally overdo it.

Your approach to love is deeply linked to your need for a home and security. Security is a prerequisite for love. That's not to say that this is all that you're looking for, it's just that you'll find it difficult to relate emotionally to another person unless these needs are satisfied. For you a house is not a house, but a home, somewhere where you can feel relaxed and comfortable.

12th house

Surrendering to forces that are beyond your control, a higher power or ideal. Greater self understanding and spiritual goals. Large institutions such as hospitals and prisons, where many people end up if the self-surrender described above is overdone, or made to the wrong ideals.

♀ in 12th House

Love and what you value most

There may be occasional confusion surrounding your love life, as at times you may not fully understand your own needs in a relationship.

♃

Uranus

Represents the expression of your need for freedom and independence and the way you choose to experiment with life. Uranus is the motivation behind your future dreams.

♀ □ ♃ ★★★★★

Unconventional relationship

At times you may experience some difficulty and sudden changes or breaks in your relationships. If people try to get too close too quickly you'll rapidly back off.

You also probably have little regard for traditional forms of marriage since this would considerably reduce your freedom to do what you want, a freedom you don't easily relinquish. Any form of jealousy and possessiveness particularly horrifies you.

Even if you are involved in a serious relationship, or married, you'll still demand a great deal of freedom and independence for yourself. You may try to suppress these needs for a while out of respect for the other person's feelings or wishes, but if you do so for too long, the tensions will build up until your need for freedom erupts to the surface.

Part two - Future developments

The 'transits' of Venus, as it moves through the Solar System, shows how you change, grow and develop when it comes to your relationships in general and your love life in particular.

In your 'Lovers Guide' we interpret only the transits that Venus will make to the other planetary bodies; Mercury, Mars, Jupiter, Saturn, Uranus, Neptune and Pluto as well as the Sun and Moon.

Lovers Guide should only be used as a helpful guide for the periods indicated. At all times it is for you to make use of your most positive characteristics and the periods indicated.
